Beginner Granny Square Scarf

*Crocheted in just one color, this scarf may
be called a granny, but it is ageless in looks.*

*There are only three granny squares with
extension rows on the two outer grannies to
make it just the right length.*

Scarf measures 7" x 55" (18 x 139.5 cm).

Notes

1. Granny squares are worked in joined rounds with right side facing.
2. Rows are worked back and forth off the last round of each end square. Last rows are sewn to opposite sides of center square to complete the scarf.
