Crafty Festive Christmas Balls

Create plush balls covered with pompoms without making the pompoms! This yarn is created with soft pompoms along a cord so that wrapping and gluing to the ball foam shapes is easy! Use them in bowls or hang on the tree. We placed them on candlesticks for a mantel or table decoration.

BALL

1. Cut yarn cord on each side of pompom so that you have a pile of individual pompoms.
2. Use glue to attach pompoms to the ball, continuing until ball is completely covered. Greening pins may also be used to keep pompoms in place.
3. Use your covered balls on the tree by adding a loop of yarn or ribbon. Attached loop with a pin and dab pin with glue to hold it more securely.
