FINISHING Fringe

Cut 44 strands, each 25" (63.5 cm) long. Hold 2 strands together and fold in half to form a loop. Working in opposite side of foundation ch, insert large crochet hook from right side through 2nd ch. Place fold on hook and draw fold through, forming a large loop. Thread ends of strands through loop and pull to tighten. Repeat to attach fringe in next 10 ch of Row 1, then repeat to attach 11 fringes centered across sts and ch of last row. Trim ends evenly.

With small crochet hook, weave in ends.
