# Three Little Pumpkins

*These pumpkins are perfect for little hands to hold or toss around, without smashing pumpkins!  
Crochet all your pumpkins with the same color or various colors as shown for a haunting Halloween accessory.*

**Pumpkin measures 23" (58.5 cm) circumference x 10½" (26.5 cm).**

## Notes

1. Pumpkin body is worked back and forth in rows, then seamed to form a cylinder. Cylinder is closed at one end, stuffed, then closed at the other end.
2. Stems and facial pieces are made separately and sewn to pumpkin.
3. In pieces worked in rounds, you may find it helpful to place a stitch marker on the first stitch of each round and move it up when round is completed.
4. Stuff to desired firmness but stuffing should not show through stitches. Finished measurements may vary depending on the amount of stuffing inserted.
