Urban Optics Throw

Get graphic by adding this crochet throw with geometric appeal to your favorite sofa or comfy chair. You'll appreciate the style and warmth of this very urban-look design.

Throw measures 45 x 55" (114.5 x 140 cm) including border.

NOTES

1. Always carry unused color across row as you work, working around it with current color.
2. Hold unused color to wrong side of the throw.
3. After changing colors, give the old color a gentle tug to tighten the last loop worked.
4. The last stitch of each row is a regular dc rather than a fpdc or bpdc.
5. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color.
