INSTRUCTIONS

Notes:

- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.

- Pull tie to remove and start crocheting!
- For this pattern, colors can be easily separated by gently pulling apart and cutting at the color transition. Each color is ready to use. Follow color guide shown in Materials section for each O'Go (Contrast A, B, C, D, E and F). You may find it helpful to place each color section in its own resealable (zip lock) bag and label each bag – A, B, C, D, E, F.

- Blanket is worked from top right corner to bottom left corner in 9 Sections
- To join new colors work to last 3 loops on hook of previous color. Yoh with new color and proceed.
- When working rows where hdc is worked in sp between prev sts, **do not** work hdc in sp between last hdc and turning ch 2 at end of row.
- Ch 2 at beg of row counts as hdc throughout.
