Self-Stripping Crochet Scarf

The pattern for this scarf could not be simpler! Crochet this self-stripping colorway up in no time at all, without all of those ends to weave in you'll want to make one for everyone on your gift list!

Scarf measures 7" (17.75 cm) wide x 72" (183 cm) long, excluding fringe.

SCARF

Ch 24.

Row 1: Hdc in 3rd ch from hook and in each ch across - 22 hdc.

Row 2 (Right Side): Ch 2 (counts as hdc), skip 1st hdc, hdc in next hdc and in each hdc across, turn.

Repeat Row 2 until piece measures 72" (183 cm) from beginning edge.

Fasten off.

FINISHING

With yarn needle, weave in all loose ends.

Fringe

Cut ninety 10" (25.5 cm) lengths of yarn. Divide into 18 groups of 5 strands each.

Using waste yarn, mark the position where each fringe group should be attached to the scarf, spacing the fringe groups evenly along the short ends of the scarf.

*Fold one group of strands in half, forming a loop. Draw the center of a fringe group through the end of the scarf at a marked position, using the crochet hook if desired. Thread fringe tails through the loop and tighten to secure. Repeat from * until you have nine groups of fringe on each end of the scarf. Trim fringe ends evenly.

Steam lightly to block if desired.

ABBREVIATIONS

ch = chain; **hdc** = half double crochet;

mm = millimeters; **st(s)** = stitch(es);

* = repeat whatever follows the * as indicated.
