Notes

1. Double slip stitch is not a decrease stitch as the first "leg" of each successive stitch is worked in the last stitch worked. Count double slip stitch stitches carefully to ensure correct stitch count.
2. Dc2tog-over-V-st is counted as a double crochet.

Special Stitches

Beg dsst (beginning double slip stitch) = Insert hook in first stitch, yarn over and pull up a loop, insert hook in next stitch, yarn over and pull up a loop (3 loops on hook), draw through all 3 loops.

Bpdc (back post double crochet) = Yarn over, insert hook from back side of work to front and to back again around the post of indicated stitch; yarn over and pull up a loop (3 loops on hook), yarn over and draw through 2 loops (2 loops on hook), yarn over and draw through 2 loops (1 loop on hook). Skip the stitch "in front of" the Bpdc.
