ORNAMENT

WRAPPING STYROFOAM® BALLS

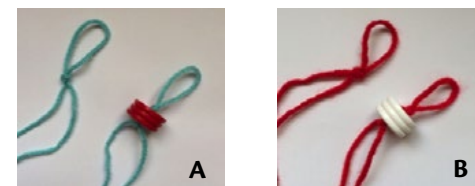

Wrap the yarn **(A)** or **(B)** around the Styrofoam® ball making sure there are no gaps creating a solid covering. Every few wraps, tighten and twist the yarn to prevent the yarn from slipping off the ball.

WRAPPING COMPLETED

1. Continue in this manner until the entire Styrofoam® ball is covered. Cut yarn and tuck the end under the wrapped yarn. Glue in place with a small drop of Tacky Glue.

ORNAMENT HANGERS

2. With **(A)** and **(B)** cut a 16" [41 cm] piece of yarn. Fold yarn in half and tie a knot 1¼" [3 cm] from the top loop. Thread the yarn ends through the 3 red buttons **(A)**, and the 3 white buttons **(B)**. Tie a knot at the bottom of the 3 buttons. Attach the two stands of yarn under the buttons to the wrapped ornament by weaving the strands in and out at the top of the ornament and tie a secure knot under the buttons. Weave in loose ends and secure in place with a small drop of Tacky Glue under the buttons.
