Special Stitch

Beginning Cross-stitch (beg cross-st) = Dc in space after the sc and before the next 5-dc group one row below, ch 1, dc in space before the same sc and previous 5-dc group.

Cross-stitch (cross-st) = Dc in next ch-space after next sc two rows below, ch 1, dc in ch-space before same sc.

Notes

1. When instructed to work into a stitch or space "2 rows below", work into the row numbered 2 less than the current row. For example, if you are working Row 5, a stitch "2 rows below" is in Row 5 - 2 = Row 3.
2. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color.
