INSTRUCTIONS

Notes:

- To begin working with the O'Go format, carefully cut plastic tie where the ends of the O'Go meet.
- Pull tie to remove.
- For this pattern, colors can be easily separated by gently pulling apart and cutting at the color transition. Each color is ready to use.
- Follow color guide shown in Materials section for each O'Go (Contrast A, B, C, D, E and F). You may find it helpful to place each color section in its own resealable (zip lock) bag and label each bag – A, B, C, D, E, F.
- To join new color, work to last 2 loops on hook of previous st.
- Draw new color through last 2 loops, then proceed in new color.
- Be sure to work Lp sts as shown in diagram in Abbreviations to ensure sts are locked in place.

- To join new color on Lp st, finish to end of st. Draw new color through loop and tighten loop of old color. Proceed in new color.
- Blanket worked over foundation ch multiple of 21 ch + 24.
