## NOTES

Each square on the Chart represents one dc.

There is an extra stitch at each end of the chart that is not repeated.

Work across chart from right to left for RS row; from left to right for WS row.

Hold unused color on top of row and work over it, hiding it inside the stitch.

To change color, work to last 2 loops on hook of first color, yarn over with new color and draw through 2 loops on hook so that new stitch will be entirely in new color.
