NOTES

1. Body of sweater is worked in 2 pieces; front and back.
2. Front square is worked in joined rounds, changing color every other round. After the front square is complete, the top of front is worked across one short edge up to the neck and shoulders, continuing to change color every other row.
3. The back is worked same as front, without changing color.
4. Sleeves are worked directly into the armholes, down to the wrist edge.
5. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Fasten off old color. Proceed with new color.
6. Lower edge of body and sleeves will relax and flare slightly when sweater is worn.
